Study Guide
Unit 3: Human Geography in the United States

1. What is a push factor? (WWK)

2. Give an example of a push factor:

3. What is a pull factor? (WWK)

4. Give an example of a pull factor:

5. What was a “conductor” on the Underground Railroad? (pg. 45)

6. When we looked at the map of **airline routes**, which of the five themes of geography were we investigating? (pg. 42) (pg. 23)

7. Write out the questions geographers ask when investigating that theme (in your answer above) (pg. 23)

9. Describe how the culture of a group of people can influence their new home when they immigrate to a new place.

10. On page 47, we looked at maps of where different groups of immigrants settled in the United States. On the test, you will see a map like these (but of a different group of people), and asked to make conclusions. Here's a practice one: (This is not the same one that will be on the test!)

What group of people is this map about?

Where in the US did they settle the most?

Why do you think they ended up in these parts of the country more than others?
